Themes: Learning Disabilities

Aimed at: Adults 18+

We aim to offer people with learning disabilities exciting opportunities to develop new skills and to be part of a thriving professional enterprise, which makes a positive contribution to the management and conservation of woodlands and countryside.

OUR OBJECTIVES

- to create a unique enterprise that provides a stimulating working and training experience for people with learning disabilities.
- to provide land management services and to manufacture and sell products arising from this service.
- to create opportunities to reward team members for meaningful activity.

Area: Bolsover
