Themes: Debt, Learning Disabilities, Mental Health, Physical Disabilities, Risk of Eviction

Aimed at: Adults 18+

Our Potter Street service provides supported housing for up to 16 single homeless people from the Workop area. Staff offer a range of practical advice and support, helping residents with their budgeting skills, benefits, health issues, accessing leisure activities and finding employment or training. The aim of the service is to help residents to acquire the skills and confidence needed to live independently.
