**Themes:** Physical Disabilities

**Aimed at:** All People

The Nottinghamshire Branch of the association is a group of like minded individuals who volunteer to provide support and information for individuals and families who have been affected by Motor Neurone Disease.

Many of the volunteers have personal experience of the disease and whether you are a person living with the disease, a carer or family member, we can help you get the most out of life.

**Area:** Bassetlaw, Bolsover
