Themes: Housing, Learning Disabilities, Mental Health, Physical Disabilities, Risk of Eviction

Aimed at: Adults 18+

Our Sherwood Street Centre provides 15 units of supported housing for homeless people in Mansfield. The service, which accommodates some of the most vulnerable people in our society, is staffed 24 hours a day and is designed to help residents along a journey to independent living in the community. Each of them is supported to learn vital new skills, to get help and treatment for any problems they may have, and to explore future employment and training options.

Area: Bassetlaw
