The LGBT+ Service Nottinghamshire was established by The Centre Place in 2016 as an expansion of the LGBT+ support being provided since 2010 through the Worksop Out on Wednesday (W.O.W) young people's LGBT+ Service. We provide a range of specialist services for children and young people aged 11-25 who identify as LGBT+ (lesbian, gay, bisexual, trans and any other sexual orientation or gender identity), or may be questioning this. We also provide training and consultancy services for professionals across the private, public and voluntary sector.
