Themes: Domestic Abuse

Aimed at: Women only

Women's Aid is the national charity for women and children working to end domestic abuse. We are a federation of nearly 180 organisations providing just under 300 local lifesaving services to women and children across the country. Women's Aid also runs online support services, as well as providing expert training, qualifications and consultancy to a range of agencies and professionals.

The 24hr freephone National Domestic Violence Helpline (run in partnership between Women's Aid and Refuge) is available on 0808 2000 247 24 hours a day, 7 days a week.

Area: Bassetlaw, Bolsover
