Themes: Advocacy

Aimed at: All People

North Notts BID will provide a co-ordinated, area-based, multi-stakeholder approach to improve various locations within the North Nottinghamshire BID boundary. We will achieve this by harnessing the skills, experiences and resources of those in the public, private and voluntary sectors.

The BID will enable us to provide a range of exciting new projects and initiatives and improvements to benefit businesses across all sectors and areas. It will not fund or replace services provided by public agencies, such as the Police or Councils.

The private sector BID Board will push forward the delivery of the business plan and a small BID team will ensure that this work happens in the most cost-effective way possible.

Area: Bassetlaw
