Nottinghamshire Victim CARE

Nottinghamshire Victim Care Nottinghamshire Victim CARE

We help victims of crime and anti-social behaviour. If you have been affected, you can access our free, independent and confidential service - even if the crime did not happen recently or you did not report it to the police.

We provide support for all victims of any crime, apart from those who have experienced domestic or sexual abuse, and can offer support for all ages. Referrals can be made by police, professional agencies or by getting in contact with us directly.

Our Caseworkers are specially trained to deliver one to one support, either over the phone or face to face, depending on what feels most comfortable you. We want to make sure you are given the support you need to help you cope and recover which is why our service is tailored to your individual needs, and could include:

Emotional support

Advocacy with other agencies

Advice on target hardening and general crime prevention

Practical support and advice

Restorative Justice

Support applying to Criminal Injuries Compensation (CICA)

Most importantly, we are simply there to listen, and offer guidance through the criminal justice process when you need it most.

So if you think we could help you get in touch with us on our Freephone number 0800 304 7575 - we are open from 8am to 8pm Monday to Friday and 9am to 5pm on Saturdays*.
