Themes: Care and Carers, Specific Health Conditions

Aimed at: Adults 18+, Older Adults 65+

Ashley Care Centre is a family run home specialising in Dementia care for the over 65's.

We are happy to provide all types of care for people with Dementia ranging from day care to full time accomodation. As we are Dementia specialists we provide the same level of service but in different environments to people in the various stages of Dementia, whether that is the early stages of Dementia or more advanced stages progressed conditions.

Area: Bassetlaw
