Axholme Camera Club is a friendly camera club, of about 45 members, based at Haxey Church Hall in the Isle of Axholme. Despite our name members are welcome from anywhere and we have members from all areas of North Lincolnshire and Doncaster. The club is a member of both the North and East Midlands Photographic Federation and the Lincolnshire Photographic Association.

Our aim is to Inspire, Challenge, Support within a friendly environment.

INSPIRE

What's your style or main photographic interest?

Learn from the best. Invited inspirational speakers cover a wide range of genres of photography.

CHALLENGE

Competitions are judged by an external judge who will give positive feedback on each image submitted. Each internal competition has a colour and mono winner with an overall winner that is awarded & keeps the EP Trophy for the month. [Link to photo of the month page](#)

Digital photos submitted by our members form a comprehensive portfolio of fantastic images. The Committee use these to select images (with the author's permission) to represent the club in external national and international competitions.

Competitions details and rules are explained here
