Sitting just outside the North Notts village of North Leverton and Habbleshthorpe, a unique windmill that has never stopped milling.

It regularly grinds flour and animal feeds. Built-in 1813 by a group of local farmers, North Leverton Windmill is over 200 years old. A focal point for the local community hosting events and family fun days.

On their website, you will find the windmill opening hours, contact numbers to book school and group visits, and details on how to support the windmill by buying your flour and oats direct from the windmill.

On the site you can trace the history of the windmill, get an idea of how it works and keep up to date with news and events.
