Blesma is a unique association of 2,804 Members with a defining commitment to help them live independent and fulfilling lives after suffering the loss of limbs, use of limbs, sight, speech or hearing. Blesma works tirelessly to provide practical, emotional and financial support to injured veterans and their families and widows as they rebuild their lives.

If you have served in the British Armed Forces and have suffered life changing injury, either during or after your service you may be eligible for Blesma Membership.

Your injury does not need to have been sustained during combat, it could have happened during a training exercise or have been due to an accident or illness whilst serving.

Area: Bassetlaw, Bolsover
