Themes: Food, Nature and Outdoors

Aimed at: All People

Feeding Derbyshire seeks to help those struggling with low incomes, debt and poor access to affordable, nutritious food. We aim to reduce the negative impact of hunger by working to ensure our projects are inclusive and reach the most vulnerable people in the county. We intend to give families and individuals the confidence and capacity to be self-reliant, able to meet their own and their children's needs.

Area: Bolsover
