Welcome to Community Accounting Plus

Thank you for visiting the website for Community Accounting Plus. We are a charity set up to help other voluntary and community organisations manage themselves well in all areas of accounting and finance.

CA Plus is 30 years old this July. To celebrate, we were delighted to host a free 30th Anniversary Conference on 7th July.

Over 350 people registered for our series of short webinars across the day on a range of subjects. [Click here](#) to find links to all the webinars

In these challenging times, we are doing our best to ensure that our support continues as usual to all our clients. The following links are updated regularly and set out the range of support offered by the Government
