Themes: Advocacy, , , Physical Disabilities

Aimed at: Baby & Toddler Age 0-5, Children Age 6-11, Teenagers 12-17

The service provides physiotherapy and occupational therapy assessment and treatment for children who have a disability or long term condition affecting their movement or mobility.

We provide advice on equipment and management. We work closely with parents and carers and other services involved with the child to provide effective care.

Area: Bassetlaw
