Aimed at: Older Adults 65+

Single Point of Referral - Bassetlaw

Our Single Point of Referral service provides a central point of access, via telephone, for all Bassetlaw residents who have a health query or wish to make contact with their health professional supporting them in their care.

Single Point of Referral is staffed by a team of experienced advisors who have a wide knowledge of local health service provision and customer care expertise.

Our service is available to adults over the age of 18.

Accessing our service

Single Point of Referral is a telephone service. Please contact 01777 274 422

This service is a seven day service 7am - 9pm.
