Freedom Community Project is a Christian charity that was set up in 2008 to support people who are struggling with poverty in Bolsover.

Our Mission is to provide activities that are low cost or free at point of use. To support people who live in deprived areas within the United Kingdom. To care for all people no matter of background, race, religion or sexual preference. To show the love of Jesus in action, listening, supporting and helping people in local communities. To work with people in order that they might make a change in their lives, helping themselves out of the situation they are in and moving into a better future for them and their family.
