Coddington Village Hall (Reg. Charity No. 214953) is a village facility run by a group of volunteers for the benefit of the community. Centrally located near the church, it is available for regular and occasional bookings.

For further information on bookings, facilities, location, history and current activities please use the menu options above.

In 2014 the main hall underwent a refurbishment programme and is now fully insulated with new roof and double glazed windows. This also included new LED lights which provide a good standard of lighting. This year more subtle wall lights have been installed for when less brightness is required and the floor has been resealed.

A fuller list of activities in Coddington can be found in the village newsletter at: village.coddington.org.uk
