Themes: Advocacy, Physical Disabilities, Specific Health Conditions

Aimed at: All People

Disability Nottinghamshire is a registered charity promoting the independence and choice of all persons with disabilities and impairments within the Nottinghamshire County Council area (excluding Nottingham City).

We provide free, confidential and impartial information, advice and advocacy in respect of any aspect of disability to people with disabilities and impairments, their carers, friends and families as well as professionals and students.

Our service is provided by people who either have a disability or personal experience of disability.

Area: Bassetlaw
