About Hope into Action UK

Hope into Action is a registered charity whose unique purpose is to enable churches to house the homeless. Work began in summer 2010 with a handful of people passionate about changing homelessness in the city of Peterborough.

We provide not just shelter and housing know-how but also friendship. Together with over 50 churches we provide direct support to people whom others have often given up on.

The original home had a real heart for men coming out of prison. Homes are now available for a wide range of "homeless", people in recovery from addiction, people sleeping rough, women and children fleeing domestic violence, people coming out of rehab, former prostitutes, refugees, those suffering mental health issues and survivors of human trafficking.

Our vision is for every church to lovingly provide the homeless with a home. The tragedy of homelessness is in every community. We believe that with our help, you and your church can do something about it.

Our supported accommodation

Hope into Action has a referral process for supported accommodation. Through our supported housing, we enable vulnerable people to live as independently as possible in the community.

We welcome people of all faiths and none, all ethnicities and sexualities.

We take referrals from individuals and agencies.

If you, or someone you know is seeking supported housing in another part of the country then please visit Hope into Action UK.

Download our referral form, fill it in and send it to your local Hope into Action team or info@hopeintoaction.org.uk.

Sadly we have more referrals than homes available but vacancies do come up so please do get in touch if you think supported accommodation is right for you.
