Themes:

Aimed at: All People

Summary of what your groups does: Junction Arts helps communities facing social barriers such as poverty, poor health, and low aspirations to create a better future through the arts. Our festivals, workshops, and events give people the opportunity to be creative, learn new skills and build stronger communities. We are committed to working with communities to co-create impactful and memorable arts experiences that empower people, improves wellbeing and inspires change. Our vision is to create a better future for everyone through the arts.

Area: Bolsover
