Aimed at: Adults 18+

We are based in Worksop, Nottinghamshire and aim to serve Bassetlaw, Mansfield and parts of South Yorkshire. We recruit local, friendly and professional support workers who provide a comprehensive range of quality health care related services to any community.

We provide practical support and personal care to adults of any age. We recognise the strain that constant care can have on family and friends committed to looking after their loved ones and relatives in their own homes. We can provide a welcome break for a holiday or just a few hours off.

At Leda Homecare Ltd, we know that different people need different types of care and different levels of care. We therefore offer a range of products which can be discussed and adapted to suit every client. We ensure that all our clients are the decision makers and we work with them to make their day to day task as easy as possible

Our full range of services are available from half an hour to 24 hours a day, 7 days a week, 365 days a year.

We believe in honesty, integrity, pride in what we do and respect for those we do it for. What matters is that the homecare services you receive are the best fit for

your lifestyle and specific to your home – no matter how much or how little you require.

Indeed, with discretion and courtesy, our care team will make a point of getting to know you and your life in your home. That way, you'll get support that's right for you, in the place where you're most comfortable.

If you would like to know more about any of our care programmes or wish to discuss a bespoke care programme, please feel free to call us on 01909 512550 or email us on admin@ledahomecare.co.uk. We can offer FREE home consultations and Information packs available on request.

Respite Care

Doing your best for your family comes as second nature, but there are times when an extra pair of hands would be very welcome. Our respite care is as flexible as you need it to be. We can offer holiday cover or just a few hours, we will work with you to create a care package which works for both you and the person you are caring for.

The responsibility of being a sole carer can be tiring, particularly when your loved one has long term and complex health needs. We recognise that you need a break but you need to be confident that the individual who is standing in for you so you can go away in the knowledge your loved one is in the very best hands.
