How we can support you

When a baby dies suddenly and unexpectedly, the death is a terrible shock and one of the most devastating things that can happen to a family. If you are reading this because your child has died, we are so sorry for your loss and are here to offer our support.

We offer confidential support to anyone affected by the sudden and unexpected death of a baby or young child. This support is here whenever you need it, whether the death was recent or many years ago. It is available for families, friends, carers and professionals. There are different ways we can support you and you can choose from our range of services.
