The MPS Consumer File is a list of names and addresses of consumers who have told us they wish to limit the amount of direct mail they receive. The use of the Consumer File by list-owners and users is a requirement of the British Code of Advertising, Sales Promotion and Direct Marketing administered by the Advertising Standards Authority. It is also a condition under the Code of Practice of the Data & Marketing Association.

The MPS will prevent the receipt of unsolicited direct mailings sent from member companies of the Data & Marketing Association and we will take steps to prevent the receipt of unsolicited direct mailings from companies which are non-DMA members. It will not stop mail that has been sent from overseas, un-addressed material or mail addressed to The Occupier. You can expect to continue to receive mailings from companies with whom you have done business in the past. You may also receive mailings from small, local companies. If you wish these mailings to be stopped, you must notify these companies directly. It will take up to 4 months for the Service to have full effect although you should notice a reduction in mail during this period.

Registering with the MPS is FREE
