About us

Here to listen and offer support

Mindline Trans+ provides a safe place to talk about your feelings confidentially.

We don't record calls and we don't ask for any personal details. You don't have to tell us your name.

Our listeners will try and understand the multitude of feelings and concerns that may be going on for you.

We are here to listen and offer support

Our volunteers are trained in telephone counselling skills and have lived experience of being trans or non-binary. Occasionally calls may be taken by trans allies.
