**Aimed at:** All People

North Leverton Surgery is situated at the heart of the village (close to the cross-roads on Sturton Road). It serves all the surrounding villages; the area covered stretching from the River Trent to Retford and Dunham to Saundby. We are in fact the most rural practice in North Nottinghamshire, but this does not mean medical isolation!

We strive to deliver up-to-date evidence based medical care, supported by centres of medical excellence at Sheffield and Nottingham if necessary

We run many clinics for the management of chronic diseases such as asthma and diabetes and offer a wide variety of other medical services including antenatal and postnatal care, minor surgery, childhood vaccinations and well-person check-ups.

More details regarding the practice can be found at: [www.nhs.uk](http://www.nhs.uk)

Access is available via <https://access.e-mis.co.uk>

To enable you to use this facility you will require a user ID and password. Details are available from reception. You will require a form of identification before details can be issued.

## When We Are Closed

closed\_signIf you require urgent medical help during the hours of 18.30pm - 8.00am the Out of Hours Medical Service can be contacted by calling the telephone number: 111. Your call will be answered by a triage team who may offer advice, a home visit or ask you to attend the centre at Bassetlaw Hospital.

This service is a service for urgent medical issues i.e.

The illness has occurred or deteriorated rapidly or

The patient cannot wait until 8.00am the next day

In the interest of those who are seriously ill, please think carefully before dialling the emergency out-of-hours number.

Please do not ask to see a doctor out of hours unless you genuinely cannot wait until the surgery re-opens.

If the problem is an emergency; Call 999. Chest pains and / or shortness of breath constitute an emergency.
