Themes: Advocacy, Museums and Libraries, Nature and Outdoors, Green Social Prescribing, Parks and Open Spaces

Aimed at: All People

The North Notts Association provides talks and visits, and supports our local properties.

New members are always welcome, so come along to a meeting. Membership is open to members of the National Trust, volunteers and staff.

We have regular monthly meetings on the second or third Wednesday at The Crossing Church & Centre, Newcastle Street, Worksop, where we enjoy talks on a wide range of subjects including misericords, historical buildings and poets to historic figures.

In the summer we organise days out to historic and interesting venues where you can enjoy the company of a friendly group of like-minded people.
