Our Vision

At White Rose Beauty Colleges, promoting health & wellbeing is extremely important to us.

We especially want to support those within the community who have fought tirelessly to support us throughout the pandemic and beyond.

Why Enrol

This FREE fully funded course will enable you to promote your own health and wellbeing as well as your family, friends and work colleagues.

Upon completion, you will gain a Level 2 Diploma in Complementary Therapies.

Our Programme

WELLNESS WORKSHOP

We will visit you for a day of relaxation.

We will explore massage, reflexology and aromatherapy taster treatments.

ONLINE LEARNING ENVIRONMENT

Enjoy easy access to your own online virtual learning environment. Here you can watch interactive videos and presentations to support your learning.

The programme is very self managing and can be completed at a time to suit you, as long as deadlines are met.
