

Breakfast with Santa at Bassetlaw Hospice

On Saturday 10th December Santa will be calling in at Bassetlaw Hospice for his breakfast, and he'd like to invite people from the local community to join him, especially with your little ones.

This is a free event which, as well as breakfast, includes a gift from Santa for the children, crafting tables, and an opportunity to see the Hospice and its beautiful grounds as well as meet the dedicated staff.

As this is the first time Santa has been able to fit a breakfast slot in at the Hospice, booking for this event is essential via the Bassetlaw Hospice website, www.bassetlawhospice.org.

There you will find the link to book places, time slots and much more information about the event.

Everyone at the Hospice is really looking forward to Santa's - and your - visit!

Warm Spaces in Bassetlaw, an initiative set up by Bassetlaw Financial Inclusion Forum, are starting to increase in popularity as more and more organisations and venues offer up their spaces to provide warmth and welcome to the local community.

From village halls and libraries, to coffee shops and community groups, there is a large selection of different warm spaces, open to all, to allow local people to access this provision if they want to.

Most warm spaces have no charges or entry fee, and those that do have made the cost as affordable as possible.

Stephen Brown, Chair Bassetlaw Financial Inclusion Forum said: "This year, amid the cost of living crisis and the huge spike in energy bills, many people, particularly

Warm Spaces in Bassetlaw

the elderly will struggle to afford to turn on their heating. It has been amazing to see how many community groups have stepped up to provide warm spaces across Bassetlaw. The District Council and partners are providing support to these initiatives."

As well as being a space for you to go and access warmth, Warm Spaces are a fantastic way to make new friends, connect with local people and engage with people from the local community in a safe and welcome space. They run at various days and times by Kilton Forest Golf Club, The Lockside, Morrisons Café, Christ Church, Molly's Tea Room, Shireoaks Village Hall, The Golden Ball, Now Church Langold, Aurora Centre and The Crossing.

In addition to Warm Spaces, there is also a 'Bassetlaw Cost of Living' booklet available both online and offline that contains a huge amount of information about the different types of support available in Bassetlaw.

Find out more at www.bcv.org.uk/warmspaces and www.bcv.org.uk/costofliving. To submit a Warm Space please visit www.bcv.org.uk/warmspacesform.

A time to remember and reflect this Christmas

Coop Funeralcare, together with St Johns Church, Worksop, would like to warmly invite everyone to join Light A Candle: A Service Of Remembrance, on Friday 16th December at 6.00pm at St Johns Church, Overend Road.

Everyone is welcome to go along and share in words of comfort and light a candle for those who can no longer be with us. During the festive period, family and friends are never far from our thoughts so this is a chance to remember loved ones.

Memorial tags will also be available to be placed on the remembrance tree at the Coop Funeralcare, Gateford Road.

Cider with Molly

On Sunday 4th December at 8.00pm, Mission Live at the White Horse Inn presents The Ciderhouse Rebellion with Molly Donnery.

As part of their limited-edition mini tour, this unique show will feature Summerhayes Trainger (Ciderhouse fiddle and accordion

joined by the incredible vocal talent of Molly Donnery.

The show has been described by FRUK as 'spontaneous, alive and affecting', and by Phil Beer as 'compelling, exciting and utterly original'.

Tickets cost £15.00 (to include pie and peas) and are available from 01302 719868, vivienne362@btinternet.com or online at
