2023: The year to #SeekSupport

Victim CARE & Age UK Scams Team.

Let's make 2023 the year to #SeekSupport

As the new year settles in, we have been thinking that this year needs to be the year of seeking support.

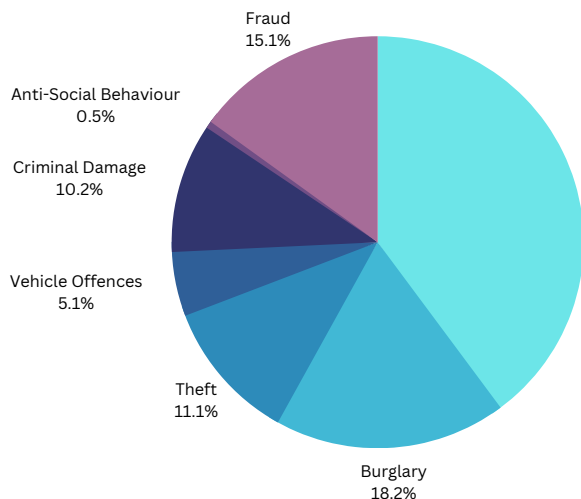

Far too often, victims of crime suffer the effects without ever knowing what support is accessible.

We are teaming up with two other Catch22 operated victim services, Leicestershire Victim First & Hertfordshire Beacon, to spread the message and ensure people #SeekSupport.

Support Stats from 2022

Our caseworkers provided emotional and practical support and the inclusion of signposting and crime prevention advice to over 16000 victims referred to our service during the last year.

See below for the breakdown of over 18,500 crime referrals received:

Violence Against the Person
39.8%

The team (above) have been working throughout this year to ensure everyone referred to us gets the support they need.

We are looking forward to making certain that 2023 is another year of fantastic support to people across the county.

COMMUNITY DROP-INS

Victim CARE & Nottinghamshire Police in Sneinton.

If you or someone you know needs support - call us on: 0800 304 7575

What are Victim CARE community drop-ins?

Our community drop-ins are a chance to come and speak to our team in accessible locations right across Nottinghamshire.

They are an opportunity for members of the public, service-users or other services to discuss with us how we can improve our service.

One of our key aims for these sessions is to better understand how we can support victims of crime across Nottinghamshire and how our service can be more accessible.

See below for more information.

VICTIM CARE: COMMUNITY DROP-INS

Over the upcoming months we will be running community drop-ins in locations across Nottinghamshire.
