CAFOD Prayer for the People of Turkey and Syria

God of mercy,

We pray for the people of Türkiye and Syria
following the recent earthquakes.

We mourn the death and destruction.

and pray for those who have died and those who grieve.

Lord, bring them comfort, strength and renewed hope.

We hold in our hearts those who are injured,

and those who have lost loved ones, livelihoods, and homes.

Lord, bring them comfort, strength and renewed hope.

Sustain and guide all responding to this disaster.

Grant those affected courage and resilience,
as they rebuild their lives and communities.

Lord, bring them comfort, strength and renewed hope.

Inspire us to unite in solidarity,

acting swiftly and generously,

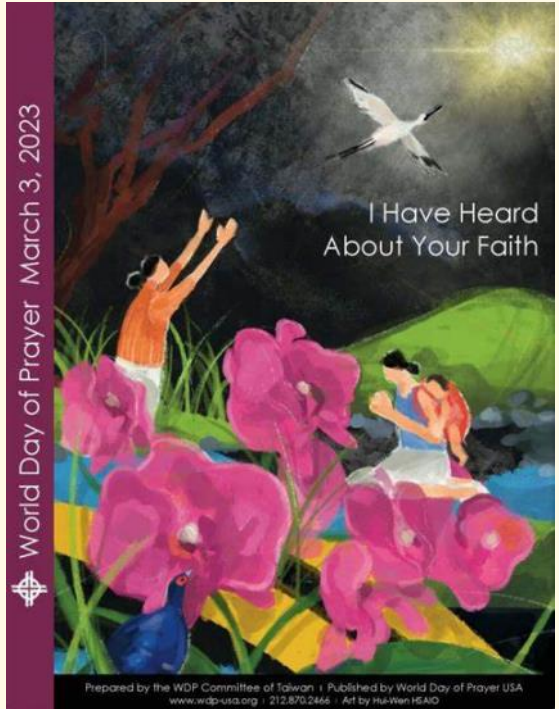

so that help may reach all who need it.

Lord, bring them comfort, strength and renewed hope.

Amen.

World Day of Prayer

The theme of the World Day of Prayer 2023 program is based on Ephesians 1:15-19, the letter sent to a faith community to express gratitude. Paul gave thanks to God for the Ephesians living out their love and faith, and prayed that they could see these three truths: the hope to which God has called the disciples, the riches of God's glorious inheritance among the saints, and the immeasurable greatness of God's power.

The origins of World Day of Prayer date back to the 19th century when Christian women

in the USA and Canada initiated a variety of cooperative activities in support of women's involvement in mission, at home and abroad. It is from such roots as these that WDP has taken its present shape – *a worldwide ecumenical movement of Informed Prayer and Prayerful Action.*

This year's theme has been developed by the women of Taiwan

**Our local service will be on Friday 3
at St Anne's church at 2 pm.**

From Fr Spicer

During Lent, at our worship, we only have music to support our singing. We have no flowers and a lot more quiet times. This is to simplify things and help us to focus on the presence of the Holy Spirit with us during this season of penitence and reflection. This leads to a deepening and growth in our Christian discipleship.

The quiet times especially aren't always easy, so please do prepare yourself before you leave home, asking that same Holy Spirit to calm your busy mind and life. When you arrive at church some people will already be there, so please save you conversations until Mass finishes. A smile, nod of the head, quiet hello, is good to be welcoming and being welcomed. Before Mass think of when you were last at Mass, or confession and what you need to say sorry for. Is there a situation or person that you want to make as your intention?

Reading through the Scripture readings or one of the hymns will help you focus and prepare to meet with the forgiving, merciful Lord. After the homily, be still and try to hear what the words are saying to you.

On the way to make your Holy Communion think of that intention you made and how the Lord is coming into the situation, or person as you receive Him in Holy Communion. Having received Holy Communion be thankful for being fed, loved and nourished.

After Mass the temptation is to rush away, catch up with someone, but please be still and quiet especially if there are still folks around you kneeling, or sitting. Maybe light a candle as a sign to God and others of your prayer.

We still have refreshments after Mass, Lent isn't that bad! So, over refreshments, please chat away with your brothers and sister with whom you have worshipped, before leaving in peace to "glorify God with your life".

Thank you for playing your part in enabling yourself and others to have times of praise and worship at the beginning of a new week.

Bassetlaw Food Hub

**The food is purchased from FareShare and costs £3 per bag including
CommuniTEA**

St Paul's Food Hub is not part of the Food Bank and is open to all the community. The food available each week has either been donated to the local community hubs by local supermarkets or purchased from FareShare. We have no idea from one week to the next what foods will be available and it is always a great surprise!

The purpose of community food hubs to cut down on the amount of food wasted, which ends up in landfill, and to redistribute that food at an affordable price.

The St Paul's food hub team are keen to make the hub an inviting and informative experience. We are personally inviting those who come to arrive earlier and sit and chat with us and other members of the community while enjoying a cuppa and biscuit. A children's corner is also set up.

Please pass this information on to anyone who you think might be interested and would benefit from the affordable food.

We welcome people from 1pm when tea etc will be available with the sale of food beginning at 2pm
