

Rotary Club of Worksop

Members of Worksop Rotary Club have been working hard to support the Turkey and Syrian Earthquake Disaster Appeal over the last few weeks.

President Geoff and his wife Chris held an 'Open Day' event and Church Coffee Morning in Carlton-in-Lindrick which together with a Rotary collection at Notcutts Garden Centre, Welbeck raised £1100. The money raised will be split equally between Shelterbox, Aquabox and the Rotary Disaster Recovery Fund. Additionally, the Club sent £250 each to Shelterbox and Aquabox from its own Benevolent Fund.

On Sunday 26 February club members and guests celebrated the 95th anniversary of the founding of Rotary in Worksop with lunch at The Olde Bell, Barnaby Moor.

The Worksop Rotary Club meets every Tuesday at 6.00pm at Carlton Forest Golf Club. Enquiries to: [Facebook.com/WorksopRotary](https://www.facebook.com/WorksopRotary).
