

Release Financial Charity

Release Charity offer financial support to the people of Chesterfield, Bolsover and NE Derbyshire.

The charity saw a huge surge in referrals and for local people needing advice due to the after effects of Covid 19 and the cost of living.

BCVS were asked to help with applying for extra funding as well as implementing a transformation strategy.

BCVS were able to assist Release in submitting a funding bid to Lloyds Bank Foundation as well as providing advice and guidance on a National Lottery Reaching Communities application.

BCVS also provided support on improving their digital literacy for staff and volunteers, as well as clients.

BCVS have been a huge help in assisting us in gaining substantial finding so that we can

continue to provide a much needed service to local people in need.

Without the help of BCVS, I don't think we would be in the strong position we are in now without their help.

Successful in the Lloyds Banking funding bid and Release gained £50,000 of funding.

Helped enable Release to gain £23,875 to produce an online budget management programme.

Successfully made it to the second stage of the Lottery Community application.
