SAFETY IN NUMBERS COURSES

MULTIPLY YOUR FIRE SAFETY

ELIGIBILITY:

Lives in Derbyshire

Aged 19+

Participants don't hold a
Maths GCSE or equivalent

Employed/volunteer for
a Derbyshire Company

Employers are legally required to provide information, instruction, and training to employees about fire precautions in the workplace.

Come and try our **free** course, looking at the Maths behind fire safety.

We provide online sessions as well as face-to-face delivery, either in your premises or a local training location.

*Separate online Fire Safety course (CPD Certified)

*Multiply Maths is delivered by Workpays tutors. The Fire Safety Training course is through a virtual platform.

AREAS COVERED:

Fire temperature calculations
and burn times

Creating plans of locations,
including offices

Knowledge of PSI and how
formulas are utilised
