The trend of surplus food that FareShare can access moving forwards is moving towards larger bulk sized catering type items. Good for meal preparation, cooking organisations, social eating events. Retail type surplus is reducing, also volunteer numbers and drivers continue to be a struggle.

Your Health Notts continue to run our core service offer as the integrated wellbeing service for Nottinghamshire County. This includes 3 Adult Weight Management groups, 2 smoking clinics, 1 exercise class and 2 Falls Prevention groups in Bassetlaw with these expanding in the New Year. Alongside this we have 2 GP clinics currently that are set to expand in the New Year. Moreover, we have recently had Marzena join us as a Community Champion hosted by BCVS who will be delivering targeted intervention and support to the Manton area. With this we will specifically be looking at food insecurity, budgeting and the cost of living crisis. Conversations have already started with the local schools around Slow Cooker courses.
