

28 February 2024

Community Drop-In Event – Residents and Businesses affected by flooding during Storm Babet in Shireoaks & Worksop, Nottinghamshire.

The Environment Agency, in partnership with Nottinghamshire County Council, is holding a community drop-in session on Thursday 14 March 2024, at The Bridge Skills Hub, Bridge Place, Worksop, S80 1DT. The event will begin at 2pm and finish at 7pm and you are very welcome to drop in at any time to see us.

Residents and businesses affected by the flooding during Storm Babet are encouraged to share their experience and knowledge and will be able to discuss any concerns they might have, and to seek advice. There will also be an opportunity to find out about the grants and support available for Property Flood Resilience (PFR) measures and to learn about signing up to the Environment Agency's free flood warning system.

We look forward to seeing you on Thursday 14 March 2024 between 2pm and 7pm. If you have any questions in the meantime, please contact emdenquiries@environment-agency.gov.uk.

Yours faithfully

Paul Lockhart, Area Flood Risk Manager (Nottinghamshire)
