

FOOD AND MONEY CAFÉ PROJECT

WONDERFUL WAY CIC

By: Temitayo Oyediran

Wonderful
Way CIC.

INTRODUCTION

- Wonderful Way CIC is a Christian Charity registered as a community interest company in the United Kingdom.
- We are on a mission to empower individuals and communities to break the cycle of poverty through sustainable solutions and to foster economic independence, promoting education, improving access to basic necessities for those in need and creating opportunity for people to thrive, regardless of their circumstances.
- We provide both long and short term supports for people living with food and energy poverty, financial difficulties, unemployment, homelessness, and those that are experiencing health challenges due to severe mental health breakdown. We work collaboratively with Department for Work and Pensions through Work Coaches from different Job Centres. For short term support, we offer food vouchers for the clients and long-term intervention supports are employability support and money management support.
- By 2021 before the start high cost of living crisis, we had around 250 vulnerable clients who had gone through our employability support and money management support.
- However, between 2021 and end of 2023, the number of clients we have served long-terms has gone up to over 800 representing over 300% increase.
- As high cost of living began to bite harder, handing out food parcels became unsustainable and then we started handing out food vouchers which we still use till date.
