

## BOLSOVER DISTRICT CULTURAL CORRIDOR

The Cultural Corridor is boosting the local culture and creativity in three parish councils: Ault Hucknall, Glapwell, and Pleasley. It includes the villages along the A617 from Stainsby to Pleasley Mill.

Funded by the UK Shared Prosperity Fund and focused on improving wellbeing and pride in our community. The Cultural Corridor project believes that creativity can make our community stronger.

The Cultural Corridor will help keep the existing cultural scene vibrant, whilst creating new events for the communities along the corridor and people who want to visit.
