

REMEMBERING THEM

Bereaved Parents Peer Support

Have you lost a child?

It doesn't matter whether your child was
6 months or 60 years old

It doesn't matter if their passing was
6 months or 60 years ago

It is the worst thing any parent can go through

Our friendly group was set up as a safe space where
parents can come to share their experiences, talk about
their loved ones, laugh, cry and drink plenty of tea!

Just being in the company of other parents and knowing
that they "get it" can be a source of comfort and support

You can join in conversation or just sit back and listen,
whatever makes you feel most comfortable
