

Your Input Matters: Participate in the VCSE Barometer Survey

25 Sep – 16 Oct!

A photograph showing a young boy with large white headphones and an older man in a yellow shirt looking at a smartphone together. They are outdoors, possibly at a campsite, with a blue chair and a bicycle visible in the background.

VCSE National Data and Insights Observatory warmly invites you to contribute to the VCSE Barometer Survey, running for three weeks from Wednesday 25 September to Wednesday 16 October. This quarter, our topical question set focuses on governance and we're interested in the roles and skills of trustees and directors from an organisational perspective.

Why Your Participation is Crucial:

The VCSE Barometer is the largest survey of its kind in the UK:

We're dedicated to capturing the evolving challenges within the VCSE sector and have provided actionable insights since 2022.

Quarterly Insights Shared:

Your valuable feedback contributes to comprehensive reports, interactive online seminars, and a dynamic, user-friendly dashboard available on the Barometer [website](#). These resources inform both the community of participating organisations and national policymakers.

Snapshot of Sector Health:

Through your input, the survey acts as a rapid and straightforward 'temperature check', offering immediate insights on key sector issues.

Participate Now:

Add your voice to this pivotal survey by visiting the Barometer [here](#). Your insights are invaluable in guiding both our community and policymakers towards informed decisions and strategies.
