

Young Onset Dementia Awareness Day

Are you living with dementia and under the age of 65, or caring for someone living with Young Onset Dementia?

Come along and meet the Young Onset Dementia Adviser for Derbyshire, Lisa Byrne, who will be happy to chat with you and answer any questions you may have.

Where: Chesterfield Royal Hospital - at the Main Entrance information point.

When: 18th of July, 10am - 2pm.

This will be an opportunity to ask any questions, take away some useful factsheets and booklets, or find out what support is available to you in your area.

Together we are help & hope
for everyone living with dementia
